Any time a change is made to a course, select **Save**. To view how the course will appear to students on the Online Bookstore, select the **Preview Course** button.

Selecting Required New will only allow students to purchase the item in new condition. All other purchasing options will be hidden if Required New is selected. If books are added after the deadline, a course will automatically be marked as "Textbooks to be determined" for 24-48 hours. This allows the Online Bookstore Team enough time to confirm publisher availability.
