# Processes for Fall 2022

# Timelines and Deliverables

August – September 2022	Working Groups identify existing and needed evidence that supports Standard, begin developing draft outline of chapter
October 2022	Working Groups submit bulleted outline of all Self-Study Report chapters
November 2022	SC provides feedback on outlines to Working Groups (Nov. 15) Working Groups collect evidence and begin developing chapter drafts
January 2023	Working Groups submit first drafts of Self-Study Report chapters
February 2023	SC provides feedback on chapters to Working Groups
March 2023	Working Groups submit second drafts of Self-Study Report chapters
April 2023	SC provides feedback on chapters to Working Groups
May 15, 2023	Working Groups submit final drafts of Self-Study Report chapters

# Final thoughts

On track to complete and submit Self Study Report at end of Fall 2023 and host site visit in Spring 2024

Working groups have started collecting evidence and may reach out to your area(s) – please work with them to identify and gather evidence

## Future public communication opportunities

- Broadcast update emails and website resources
- Town Hall in November 2022
- Community feedback on completed draft in 2023
