# Assessment Coordinators' Retreat: A Focus on PLOs

**Calling all assessment coordinators!** You're invited to our Spring Retreat focused on improving Program Learning Objectives (PLOs) through student feedback and insights from the Career Center. Lunch will be provided.

- **Date:** May 6, 2025
- **Time:** 12:00 - 1:30 PM
- **Location:** Wang Center Rm. 201

*Are your PLOs student-friendly, actionable, and aligned with career pathways? 🤔💡 Join us for an interactive discussion and working lunch session featuring:*

- ✓ Student perspectives from the Student Assessment Council
- ✓ Career Services on translating academic skills to the workplace
- ✓ Hands-on AI workshop to enhance PLOs
- ✓ Strategies to engage faculty and align assessments

**Don't do it alone—bring a colleague!** Invite a faculty member to lunch and learn together and help champion strong, meaningful learning objectives in your area.

## Academic Program Assessment for 2024-25

## Reports Due Sept. 30

As a reminder, Academic Program Assessment Reports (APAR) for 2024-25 are due September 30, 2025.

A streamlined report template and online data entry system is in development and will be available in Fall 2025. Stay tuned for more information in the coming weeks!

## Council Feedback

The SBU Assessment Council reviewed all Academic Program Assessment Reports from 2023-24 and provided feedback for your consideration. Keep an eye out for your feedback document to inform your 2024-25 report updates -- it will be sent your way by the end of the Spring semester.

## Survey Results

Thank you for participating in our Fall 2024 assessment process feedback survey and Spring 2025 Listening Tour focus groups. We learned a lot about your experiences in assessment and are working on making improvements to the process. A summary of the [survey results](#) is available on the OEE website.

# Questions, Comments & Consultations!

**Looking for more assessment resources?** Contact us for an informal chat, consultation, tailored workshop, or request an OEE representative to attend your next department meeting to facilitate broader faculty discussions on assessment!
