

Subrecipient Commitment Form

Part I: To be completed by <u>all</u> subrecipients/subcontractors

All subrecipients, as well as potential subcontractors who anticipate funding under a federal or non-federal contract, should complete this form when participating as a subrecipient or subcontractor in a proposal submitted by Stony Brook University. This form provides a checklist of documents and certifications required by prime sponsors, and if it is completed, it must be endorsed by the subrecipient's authorized institutional representative prior to proposal submission.

If the Prime Awarding Sponsor is the National Institutes of Health (NIH), the Subrecipient is aware and agrees to abide by all of the provisions of NIH GPS 15.2.1 requiring that international subrecipients provide access to copies of all lab notebooks, all data, and all documentation that supports the research outcomes as described in the progress report, to the primary recipient/PTE with a frequency of no less than once per year, in alignment with the timing requirements for Research Performance Progress Report (RPPR) submission. Such access may be entirely electronic.

By signing below, I certify that I am an authorized institutional representative and the information and representations made herein are true, accurate and complete. The appropriate programmatic and administrative personnel involved in this application are aware of all sponsor policies regarding subawards and are prepared to establish the necessary inter-institutional agreements consistent with those policies. Any work begun and/or expenses incurred prior to execution of a subaward agreement are at the Subrecipient's own risk.

Certifications		
Subrecipient is: Nonprofit For-Profit Foreign Government Other		
1.	 Facilities & Administrative Rates included in this proposal have been calculated based on the following: Our federally negotiated F&A rate for this type of work. No federal negotiated rate and we hereby agree to accept the 10% de minimis MTDC rate as a subrecipient. In the case of NIH: NIH will continue to reimburse F&A costs to foreign and international organizations at a rate of 8 percent of modified total direct costs (MTDC) less only equipment. 	
	A reduced F&A rate dictated by the prime sponsor that we hereby agree to accept. Rate: Base: Base:	
	Not applicable (no indirect cost are requested). If checked, please specify rationale in Comment Section below. Indirect costs are not separately requested as costs are fully burdened.	
2.	Fringe Benefit Rates included in this proposal have been calculated based on the following: Rates are consistent with our federally negotiated rates. Other rates (please specify in Comment Section below the basis on which the rate has been calculated) Fringe Benefits are not separately requested as costs are fully burdened.	
3.	Financial Conflict of Interest and FFATA Executive Compensation Exemption Certification	
	Subrecipient organization/institution has an active and enforced policy on conflict of interest consistent with the sponsor's requirements. Examples:	
	 DOE follows FAL 2022-02 NASA follows GCAM Section 3.3 NSF follows PAPPG Part II Chapter IX.A PHS follows the provision of 42 CFR Part 50 Subpart F 	
	Subrecipient does not have an active and/or enforced conflict of interest policy and hereby agrees to abide by RFSUNY's policy. Our organization is is not exempt from reporting Executive Compensation.	
4.	Ethics in Research Training	
	Applicable to projects funded by NSF or any other programs requiring Ethics in Research Training.	
	Not applicable because this project is not being funded by NSF or any other programs requiring Ethics in Research Training.	
	Subrecipient organization/institution will ensure that all undergraduates, graduate students, and postdoctoral researchers who will be supported by this NSF proposal will be trained on the oversight in the responsible and ethical conduct of research.	
5.	Debarment, Suspension, Proposed Debarment	
	Are the Subrecipient Institution or any of its principals who are participating in this project debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from receiving funds from any federal department or agency, or delinquent on any federal debt? Yes No	
	If YES, please explain in Comment Section below. If NO, the Organization Certifies it (answer all questions below):	
	is is not presently debarred, suspended, proposed for debarment, or declared ineligible for award of federal contracts;

	Yes, our institution has a written affirmative action program developed and on file. No, our institution does not have a written affirmative action program. Not Applicable, our institution does not have more than 50 employees and/or the total subaward will be less than \$50,000.	

Audit Status

1. Was the subrecipient required to conduct an annual audit in accordance with the Single Audit Act or Uniform Guidance Subpart F, Audit Requirements for the most recent Audit year? Yes No

a) Was an audit in accordance with the Single Audit Act completed for the most recent fiscal year? Yes No

If **YES** is checked, a complete copy of subrecipient's most recent audit report, or the Internet URL link to a complete copy, must be furnished to SBU before a subaward will be issued. URL:

If **no audit was completed OR if Subrecipient is not subject to the Single Audit Act or Uniform Guidance**, RFSUNY/SBU will reserve the right to request and review audit reports, perform random audits and review financial records to ensure proper level of monitoring. Completion of an audit questionnaire may be required.

b) Were there any audit findings reported? Yes No If **YES**, please clarify in the comment section below.

Subrecipient Institutional Information

Federal policy requires subrecipients of federal funds to be registered in SAM

1. Is subrecipient currently registered in Central Contractor Registration via SAM? Yes No

If **NO**, organizations that have not registered with CCR will need to obtain a Unique Entity Identifier (UEI) number first and then access the CCR online registration through the SAM (System for Award Management) <u>home page</u> (U.S. organizations will also need to provide an Employer Identification Number from the Internal Revenue Service that may take an additional 2-5 weeks to become active). Completing and submitting the registration takes approximately one hour to complete and your CCR registration may take 3-5 business days to process. Subrecipient *must* maintain current CCR information in SAM.

2. EIN #:

3. Be sure that the UEI number is entered on page 1.
