

GHISLAINE & LANDO FREMAUX-VALDEZ

LOVEFEAST

Collaborators **Ghislaine** and **Lando Fremaux-Valdez** examine embodiment through the triple lens of medicine, religious mythology, and their love for each other, mis/applying the ideas, instruments, and/or experience of each in the portrayal of their own bodies.

The Pollock-Krasner House and Study Center is proud to present their exhibition **Lovefeast** at the **Avram Gallery** at Stony Brook Southampton from June 21 through August 04, 2024.
